

Special Assemblies

Doctors' Day: Honouring the Healers

During the first week of July, students celebrated Doctors' Day with gratitude and enthusiasm. Primary learners explored the role of doctors and the importance of healthcare through engaging activities, while Secondary students presented a special assembly featuring a skit, poem, and song. The celebrations honoured the dedication, compassion, and selfless service of the medical fraternity.

Kargil Vijay Diwas: Saluting Our Brave Heroes

Kargil Vijay Diwas was observed in our school on 29th July. During the morning assembly, students presented a mesmerising patriotic song, an inspiring speech, and a heartfelt poem. Through these performances, tribute was paid to the brave martyrs and soldiers who sacrificed their lives for the nation.

Hackathon: Tech in Action

Innovation and teamwork took centre stage at Hackathon 2026, held in collaboration with CCQ Pvt. Ltd. Students from the Bannerghatta Road and Begur Koppa campuses showcased critical thinking and creative problem-solving through pitch-ready projects such as a smart Library App and "Anonymous Ally," a student safety app.

Global Career Fair: Opportunities for a Better Future

Global Career Fair 2026, hosted by Chrysalis High, Kadugodi, in collaboration with Inspiredvalley on 28th July, brought together more than 25 leading universities under one roof. Students from Chrysalis High campuses explored higher education opportunities, interacted with university representatives, and gained valuable insights into admissions, scholarships, and career pathways—making the event an enriching and future-focused learning experience.

Dream Period Session

The Dream Period sessions, conducted by Dr. Sawal Das Jethani, provide an inspiring and enriching experience for the students of Grades X and XII. These sessions encourage students to look beyond marks and examinations and reflect on their aspirations, strengths, choices and the possibilities that lie ahead. Through engaging conversations, thought-provoking ideas and real-life experiences, Dr. Sawal Das Jethani motivates students to dream with purpose, think beyond limitations and take ownership of their future. The sessions help students understand that success is not defined merely by academic achievements, but also by the courage to pursue one's passion, the resilience to overcome challenges and the willingness to continuously learn and grow. The Dream Period serves as a meaningful platform where students are encouraged to dream bigger, believe in themselves and transform their dreams into purposeful action.
