

## Special Assemblies

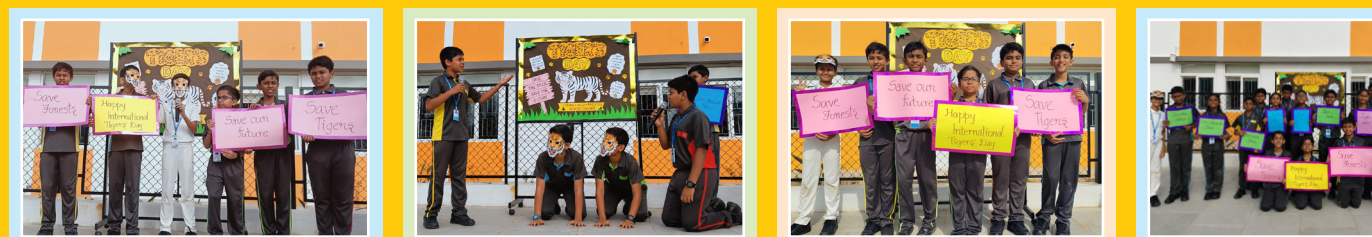

### Doctors' Day: Honouring Our Healers

Students of Grade VII commemorated National Doctors' Day, observed across India on 1<sup>st</sup> July, with a vibrant special assembly celebrating the dedication and compassion of medical professionals. Through engaging presentations and creative performances, the students paid tribute to doctors who work tirelessly to keep us healthy, reminding everyone to appreciate the real-life heroes who care for our communities.

### International Tiger Day: Roaring for Conservation, Standing for Nature

Grade VI hosted a special assembly on International Tiger Day, observed globally on 29<sup>th</sup> July, to spread awareness about the importance of protecting tigers and their habitats. Through an engaging and informative programme, the students encouraged everyone to conserve wildlife and safeguard the future of these magnificent animals.

### Guru Purnima: Honouring Our Guiding Lights

Grade V students conducted a special assembly on Guru Purnima, observed on 29<sup>th</sup> July, celebrating the invaluable role of teachers and mentors. Through an engaging Nukkad Natak, the students highlighted the importance of respecting and expressing gratitude towards gurus, reminding everyone of the lasting impact teachers have in shaping lives.

### Friendship Day: Celebrating the Bonds of Togetherness

Grade II students presented a special assembly on International Friendship Day, observed globally on 2<sup>nd</sup> August this year, celebrating the beautiful bonds of friendship and the values that make them special. Through their presentation, the students highlighted the importance of kindness, care, trust, and supporting one another. The assembly showcased the joy of friendships and reminded everyone that true friends bring happiness, encouragement, and positivity into our lives.

## Field Trip: A Day of Discovery and Fun

### Learning the Village Way at Rangoli Gardens

Grade I students visited Rangoli Gardens for an enriching and enjoyable field trip. They explored the vibrant surroundings, experienced a traditional horse-cart ride, observed nature and thoroughly enjoyed an entertaining magic show. The trip fostered curiosity, teamwork, and appreciation for culture while creating joyful memories and meaningful learning experiences beyond the classroom.

### A Sky-High Learning Adventure at HAL Museum and Heritage Centre

Learning truly took flight as our Grades II and III students explored the HAL Heritage Centre. Witnessing iconic fighter jets and military aircraft up close sparked curiosity, deepened their appreciation for India's aviation heritage, and transformed classroom learning into an exciting real-world experience.

### A Journey Through Time at HMT Heritage Museum

Students of Grades IV to VIII enjoyed an enriching visit to the HMT Heritage Museum. They explored historic photographs, watched an engaging audio-visual presentation on HMT's journey and iconic products, and ended the day with an exciting tractor ride. The visit beautifully blended history, innovation, and recreation, leaving students with lasting memories.
