

Students' Achievement: Spotlight on Excellence

Adhvaith Karthikeyan of Grade XII excelled in the AI-Powered Business Analytics (Intermediate) programme conducted by the National University of Singapore (NUS). He secured First Place in the programme assessment with the highest overall score and, as a Group Leader, led his team to Second Place in the Machine Learning Project, showcasing exceptional leadership, analytical skills, and excellence in Artificial Intelligence.

Sanjivani Saha and Aadya Awasthi, Grade XII students, were part of the winning team that emerged victorious in the Best Team Category at the Monsoon Mooting Fest 2026, held at Mahindra University, Hyderabad. The competition provided invaluable exposure to legal research, advocacy, and courtroom proceedings under the guidance of eminent academicians and legal professionals. They received certificates and a share of the ₹75,000 cash prize, bringing laurels to the school.

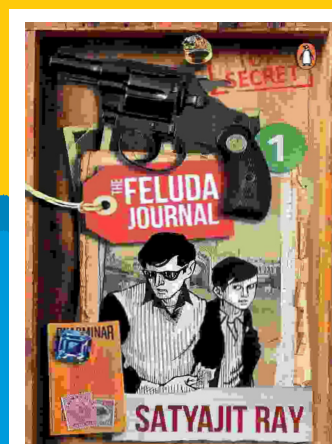

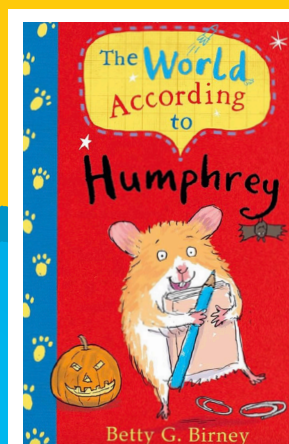

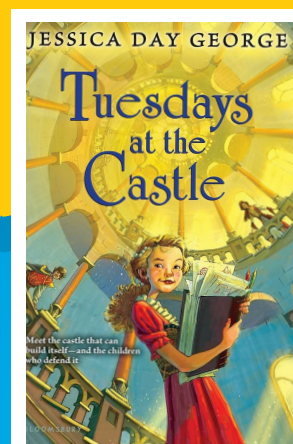

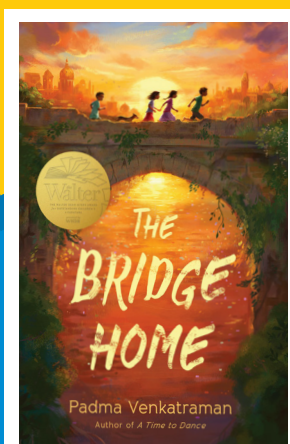

Our students delivered an impressive performance at the Inter School Football Tournament. The Under 14 Girls' Football Team emerged as Champions, while the Under 14 Boys' Football Team secured the Runners-up position. The Grade VIII and Below Girls' Football Team emerged as Champions, while the Boys' Team secured the Runners-up position. Their achievements reflected their teamwork, determination, and sporting spirit.

Dhatrisri Venkat Yelamuri of Grade VI showcased exceptional skill at the 4th South India Open Karate Championship, held in Bengaluru on 26th July 2026. She secured Second Place in the Sub-Junior Kata event, adding another achievement to the school's sporting success.
