

Special Assemblies

Doctors' Day: Honouring the Healers

Grades II and VI students marked Doctors' Day with a special assembly expressing heartfelt gratitude to doctors for their dedication and selfless service. Through a meaningful presentation, speech, and skit, they celebrated the invaluable role of healthcare professionals and highlighted the importance of caring for one's health and well-being.

Guru Purnima: Celebrating the Light of Knowledge

Grade IV students conducted a special assembly on Guru Purnima, to celebrate the invaluable role of teachers and mentors. Through a prayer, speeches, and a melodious song, students expressed their gratitude and respect for their gurus. The assembly beautifully conveyed the importance of learning, gratitude, and the enduring bond between teachers and students.

Kargil Vijay Diwas: Saluting Our Brave Heroes

Grade III students commemorated Kargil Vijay Diwas with a heartfelt assembly honouring the brave soldiers of the nation. Through inspiring speeches, patriotic performances, and a soulful presentation, they reflected on the courage, sacrifice, and unwavering dedication of the soldiers who defended the country during the Kargil War.

Friendship Day: Celebrating the Joy of Friendship

The Friendship Day assembly, presented by the enthusiastic Grades I and II students, was a heartwarming celebration of the joy and value of friendship. Through a delightful dance performance and a thoughtful presentation, the young learners highlighted the importance of kindness, caring, and building meaningful bonds.

CREST: Learning from the Best, Aiming for Success

As part of CREST (Chrysalis High Route to Excellence, Success and Transition), Steppingstones session, the Grade X School Toppers (2025-26 Batch) interacted with the current Grade X students, sharing valuable tips on board exam preparation, time management, discipline, and maintaining well-being. The engaging session inspired students with practical strategies, boosting their confidence and motivating them to strive for academic excellence.

Hackathon: Where Innovation Meets Imagination

In collaboration with CCQ Pvt. Ltd., Hackathon 2026 was conducted for students of Grades VII to X, providing a dynamic platform to showcase creativity, critical thinking, and problem-solving skills. Through engaging challenges, collaborative research, and innovative presentations, participants worked in teams to address real-world problems while demonstrating teamwork, communication, and entrepreneurial thinking. The event encouraged students to think beyond boundaries and highlighted the role of creativity, collaboration, and technology in shaping future-ready learners.

Students' Achievement: Spotlight on Excellence

Rihaan Aneeth of Grade III secured the prestigious Champion of Champions award in Level 1C (Arithmetic) at the International ABACUS Olympiad Competition.

Vivaan Arya of Grade IV secured the Runner-up position in the Elite Soccer School Cup Interscholar Football Competition, showcasing an outstanding performance by scoring five goals during the tournament.
